Addendum #1 dated September 14

**To the Invitation to Quote for printing and placement of promotional materials
issued on September 8, 2017**

The point 14 „Required Technical Specifications” sub-point (ii) „details and technical standard” from Terms and Condition of Supply, is amended and is be read as follow:

Lot 1 „Printing and placement of promotional posters” – „ Support size” – the required size is changed to 297x25mm.

Lot 2 „Set of leaflets” – was added thermo-adhesive.

Please note that all other provisions of ITQ for Printing and placement of promotional materials issued on September 8, 2017 remain unchanged and apply.

Stela Bivol,
Director
